

## Academy Nominations

The application process for the Class of 2017 is now available

Service academies offer an excellent education for students interested in serving their country in the armed forces. Chris nominates qualified Fifth District students for appointments to service academies.

Prior to submitting a completed application for nomination each candidate must submit a letter of intent to Chris indicating that he/she will be applying for an appointment at one of the military academies. This letter of intent must be received prior to September 28, 2012. The letter should include the applicants':

- Name
- Address
- Telephone numbers
- E-mail Address
- Date of Birth
- Current High School

Please send your letter of intent to:

Office of Congressman Chris Murphy

Attn: Joanne Cannon

114 West Main Street, Suite 206

New Britain, CT 06051

The letter of intent will not become part of the applicant's permanent file; however it is necessary in order to open a file for a nomination. An application WILL NOT be considered if a letter of intent has not been received.

Please contact the New Britain office at 860-223-8412 for more information.
