NEW BRITAIN, CT - Today, Congressman Chris Murphy (CT-5) opened a new office at 114 West Main Street, Suite 206, in downtown New Britain to be more accessible to the city's residents. Murphy's new office is within walking distance of New Britain City Hall and the Bank Street bus stop.

"We had a lot of options for new office space, but I was committed to staying in New Britain. West Main Street is the heart of the city, so it made sense to open an office there to provide easy access to the services we offer. I hope this new space fosters and expands upon the dialog I've had with Fifth District residents since taking office," said Murphy.

Murphy and his staff can assist constituents with federal agencies, ensuring that their rights are respected, and that procedural errors are corrected. Murphy and his staff can help constituents with:

- Social Security benefits
- Affordable housing opportunities
- Access to affordable health care
- Obtaining or expediting a passport
- Immigrant and naturalization petitions, and asylee and refugee applications
- Veterans' benefits
- Military matters

Murphy's office phone number, 860-223-8412, will remain the same at the new location. Murphy's West Main Street

office replaces his Grove Street office in New Britain, and he continues to maintain offices in Meriden, Waterbury, and Danbury. To visit his Meriden, Waterbury, or Danbury offices, please call for an appointment.

"I encourage people to call or stop by my new office to share with me their opinions on issues that matter to Connecticut and our nation. If I don't hear from you, I can't do my job," said Murphy.
