WASHINGTON, D.C. - Congressman Chris Murphy (CT-5) released today the results of a recent poll conducted via his e-newsletter, "MurphMail." As a member of the House Energy and Commerce Committee which will be working with President Obama on health care reform legislation in the coming weeks, Murphy wanted to hear from his constituents on proposals for changing America's broken health care system. Over 2,000 people from Connecticut's Fifth District responded.

Here are the results.
